

Photo Log

wine blending workshop at novelty hill / januik winery

1. Looking down at the barrel room from above.

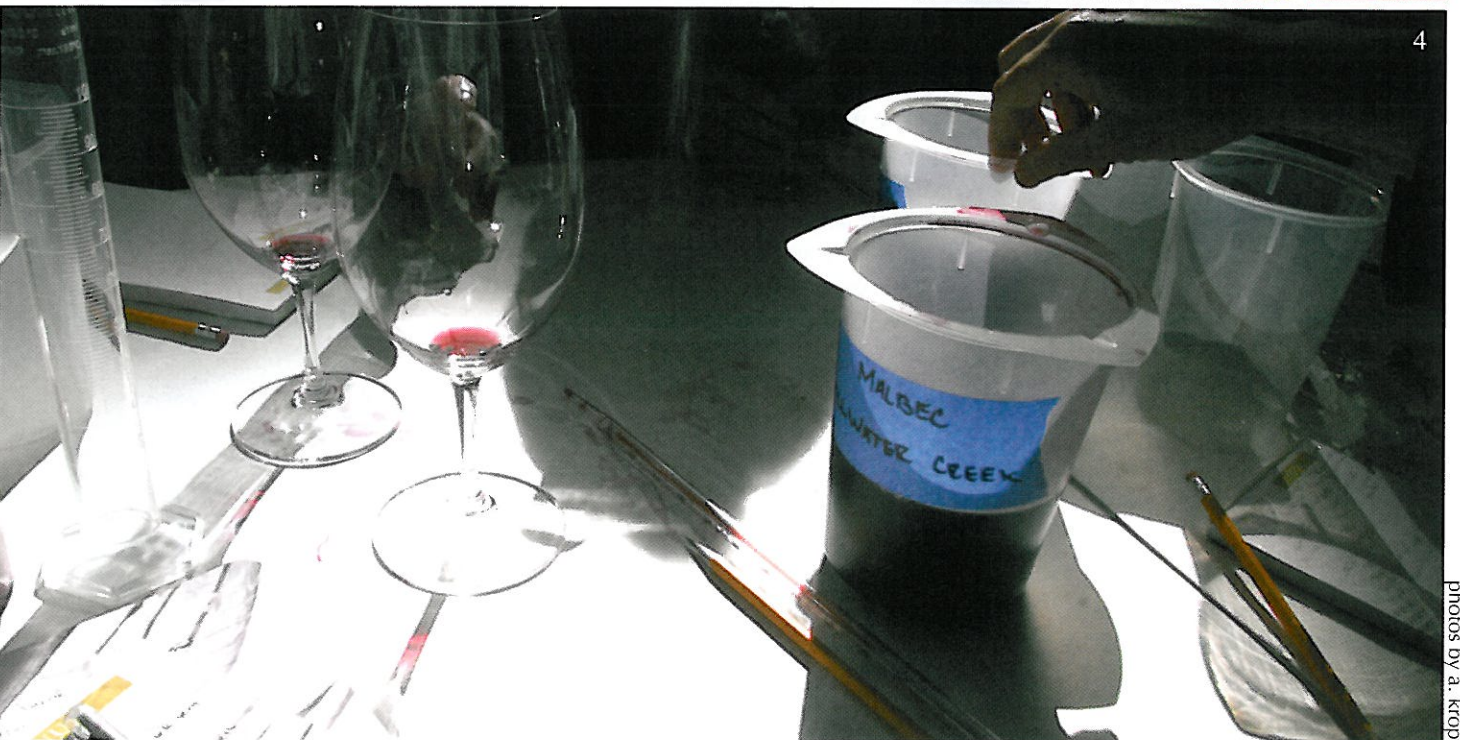

2. Novelty Hill/Januik winemaker Mike Januik was on hand offering blending wisdom.

3. The wines used to blend came straight out of barrel.

4. My work station at the blending workshop.

5. 3 of the 5 base wines available to blend with.

1. My blend is funneled into an empty bottle.
2. An accurate fill line is important
3. Getting the cork in the bottle.
4. The last stop before labeling is the foil cap machine.
5. MK Ultra Mutineer Kuvée Ultra Epic Special Reserve: 50% Stillwater Creek Merlot, 30% Alder Ridge Cabernet Sauvignon, 20% Stillwater Creek Malbec
